Dear Mrs. Karet-Coxen,

Over the past 28 years CMAA has become a trusted leader among Cambodians, Southeast Asians, other refugee populations (recently including Burmese, Iraqi, Zimbabwean, and others), as well as the Lowell community. Lowell is now home to the second largest population of Cambodian refugees in the U.S. Agencies and businesses seeking to support recent immigrants turn to CMAA to partner. We provide linguistically and culturally appropriate services to low-income, vulnerable and at-risk communities. CMAA's mission is to improve the quality of life for Cambodian Americans and other ethnic minorities of Greater Lowell through education, health, cultural, social, community and economic development efforts.

I believe your plan to bring the classical dancers to Lowell, MA USA is a great idea. I am thrilled to write this letter of support to bring the classical dancers from the Nginn Karet Foundation for Cambodia School of Dance and Music in Siem Reap, Cambodia to visit United States in September 2013. This is a great adventure for the classical dancers as they performance in Lowell, MA.

Please feel free to contact me at 978 454 6200 if you have any questions.

Sincerely,

Rasy R. An
