Dear Ravynn,

I would like to thank you so much for the trust and opportunity you've placed in Amansara to be the only venue in Cambodia to regularly host your extraordinary dancers of NKFC Conservatoire.

It's now been almost 18 months since we commenced our collaboration and during this time I've watched your dancers improve dramatically. Their total dedication to each performance is truly inspiring and all of us at Amansara feel privileged to be able to support them.

I understand that you are in the process of organizing your first international performance tour for your dancers to America. What an amazing undertaking and what a huge commitment this is for you all. This will be such an incredible opportunity for your dancers to be exposed to an international audience abroad. I know with this travel experience they will return home even more inspired and dedicated to continue their training as professional dancers in Cambodia.

Ravynn if I am able to extend any support whatsoever for this trip aboard please let me know. I would be very happy to be in touch with any organizations you are approaching for sponsorship should they require confirmation of any information regarding this undertaking.

Warmest regards,

Sally Baughen
