Dear Ms. Karet-Coxen:

On behalf of the Board of Directors of Trairatnaram Temple, Inc. I wish to extend our invitation to your troupe to perform Sacred Dance Ritual "Buong Suong" during our auspicious days September 19 and September 20, 2013 at our Buddha Hall.

We have followed your troupe's activities and feel that your performance at our Pagoda in particular and in Lowell, Massachusetts in general will benefit Cambodia-American Communities as well as the young performers of your troupe. Cambodia-American will enjoy with personal emotion and nostalgia a beautiful form of prayers from the dancers of Angkor to honor our Lord Buddha in respect of the Sangha and Dhamma. Your young dancers from the most destitute families in the remote villages will encounter for the first time a new society, meet their overseas Cambodian people, and exchange their knowledge and skill of performance with their peers in America.

The Trairatnaram Temple, Inc. was established in 1985. Perpetuating Buddhist religion and bring together Cambodia Buddhist in the greater of Lowell, Massachusetts. And USA. We hope to encourage Cambodian-American to be aware and appreciative of our culture, tradition and heritage. Creating a Buddhist temple for any individual who is willing to educate, to understand and practice Buddhist.

During your visit, we intended to provide room and board for the duration of your stay here in Lowell, Massachusetts.

We are looking forward to see your Spiritual Dance Troupe here in Lowell, Massachusetts.

Sincerely yours,

Chanrithy Uong
